### Mixers

# Gold, Platinum, Crystal and precious stones

*Precious and noble materials like gold, platinum,  
Swarovski elements, crystal, precious stones  
make the bathroom a unique  
and sensual atmosphere.*

*All the gems used in Giorgio Mixers range, having 12 mm  
diameter, are authentic Swarovski Elements.*

*Finish:  
Gold, Platinum*

## Malachite precious stone

*The properties of malachite is able to reach the inner feelings of the person and reflects what is negative or positive. Malachite fact is called "Mirror stone of the soul".*

*Malachite since ancient times is believed to be a powerful protector of children and is thought to protect those who wear it by accident. It protects travellers and has a strong balance in relationships.*

*Finish:  
Gold*

Lui e Lei

## Diaspro rosso (red jasper) precious stone

*The Red Jasper is also a stone of deep personal equity and justice, strengthening accountability, the best choices for our evolution and compassion. It can have a stabilizing effect with life and the earth and can help you regain all your energy and helps us to use it in a more balanced way.*

*The Red jasper precious stone can foster a deep connection with life and with the earth. It inspires a positive and joyful attitude increasing the creative act.*

*Finish:  
Gold*

## Lapis lazuli precious stone

*Lapis lazuli has the first part of the name, "pencil", the Latin language is to simply mean "rock." The second part, "lazuli" comes from the Latin "lazulum" which means "blue sky." Lapis lazuli is a semi precious stone prized for its deep blue color.*

*The Lapis Lazuli precious stone helps us to delete the old emotional baggage that we carry with us and that often hurts us, awakens intuition and increases the vibrational body level.*
